Another great event in Bordentown, New Jersey on February 26, 2017. Although the meet was small we enjoyed putting on this event for our lifters. We had a problem before the event where we had some equipment stolen from us and we couldn't put on the same usual event but we believe most were happy with the outcome. Thanks to my staff for again putting on a top notch event, we could not put on these events if it weren't for your professionalism and organization. Thanks to the lifters that came from New Jersey and the others that came from other states as well- NY- MD- PA and the Republic of Georgia. Anna K lifting in her first meet totaled 330 lbs in the Iron maiden division. Steve Edwards lifting

with us for the first time had some very kind words about the organization and put up 205 in the 123 class, thanks Steve. Jule Dolci III, lifted in his first event in the youth division totaled 550 lbs and had the biggest fan base in the audience led by WNPF Hall of Famer Jule Dolci. Chris Livolsi dropped down a weight class and benched 235 lbs. Soraya Selamie totaled a BIG 925 lifting in her first event, this girl is STRONG! 165 lb female lifters watch out Soraya is coming! Demond Vinson, Bradford Filipowicz and Wade Miller battled in the 181 class with Wade coming out on top, followed by Desmond and Bradford. Kevin Jackson set a few records in the 198 masters division. Ray Dennison made his comeback after 3 years and pulled 525 lbs RAW at 70 years old in the 181's. Russell Matmon won the Open raw classic division with a 1270 total and Carmine Defeo posted a 1250 total @ 198 raw. Ryan Palmucci totaled 1310 @ 220 open raw. Steve Arnold showed out, he squatted a BIG 650 lbs in the raw classic division and pulled 620 in the 242 class. John Vellucci set a National record in his class and John dropped down a weight class, he said he is coming back stronger in the next event. Dan Caffrey always consistent and dedicated totaled 1080. James Santiago benched 405 lbs and repped 275 18 times in the 275 division, excellent job James. Shawn Jackson from PA benched 405 and pulled 525 in the masters 275 class. This was Shawn's first WNPF meet and we hope to see him again. Nodar Tatishvili from the GA republic totaled 1,255 lbs, great job Nodar. Fred Orr made his return and won the best lifter by one point over Shawn and James. Autumn Orr made her return and benched 120 lbs. Super heavy's Greg and Brian also did great with totals of 1,250 and 1,115. We will see everyone on April 9th back in Bordentown again. Thank you, Troy Ford WNPF
